Advertisement for engagement of one Field Assistant for a DBT funded project in the Department of Botany, WBSU

One post of Field Assistant is available in the Department of Botany, WBSU in a Department of Biotechnology (DBT), Government of India, funded project entitled "Demonstration of established bio-restoration technology for ecological restoration of degraded mangrove ecosystem in Indian Sunderbans through site-specific approach across differential degradation gradients" under PI, Dr. Krishna Ray till the termination of the project.

For Field Assistant:

Salary of Rs.20000/- per month +24% HRA

Qualification: B.Sc./ preferably M.Sc. in Biochemistry/any branch of Life Sciences

Desirable: Interested in carrying out Ph.D.

It is a purely temporary position, co-terminus with the project. The engagement and progress of the individual will be reviewed every month and the tenure would continue on the basis of satisfactory performance. At any point of your engagement, if performance is found to be dissatisfactory by the PI, engagement will be discontinued without any notice.

Candidates are requested to send their applications for the above post through email (Dr. Krishna Ray, kray91@gmail.com) with the subject line "Application for the Field Assistant in a DBT Funded project in WBSU" with complete biodata, contacts and copy of mark sheets, testimonials, proof of experience in form of publications, project report etc. by **February 17, 2022 by 5 PM**.

Shortlisted candidates will be informed through email or phone calls for online interview on 18.02.2022.
